

# Ash Vs. Evil Dead

June, 2017

To whom it may concern,

I'm just going to cut to the chase: you should hire Scotty Chiplin.

I worked with Scotty for two seasons of a TV show in Auckland, New Zealand (Ash Vs. Evil Dead) - I was the lead actor and he was my assistant.

Scotty's duties during that time were manifold - anything from driving (he's safe and alert) to food shopping (he actually reads lists) - nothing was above or beneath him. Need to plan a three day getaway or a bash for the crew? Scotty is your man.

Scotty takes great pride in his work. He's polite, prompt and reliable, completing his tasks with an overall can do attitude - even paperwork!

As my front man, I was delighted to have Scotty put out multiple fires on my behalf. He was both peace maker and ass kicker. What more could you ask for?

Scotty is well regarded in the New Zealand film industry. He is familiar with the major filming cities (Auckland, Wellington), the people, but most importantly, he knows how to make your life a whole lot easier.

Please contact me directly if you have any further questions.

Regards,

Bruce Campbell

PS: If Scotty is not available it's because he's still working for me.
